**Southern Tier Power Squadron** is one of 18 Squadrons in District 6 of the United States Power Squadrons. Southern Tier's members are dedicated to promoting safe boating education, community service through boating and fun and friendship when Boating. (Olean, New York : [www.stusps.org](http://www.stusps.org))

**District 6** is comprised of 18 squadrons and approximately 1300 individual members. We serve throughout central and western New York State. Please check out our district website at [www.usps.org/localusps/d6/](http://www.usps.org/localusps/d6/). The location of each of our squadrons are shown on the map, along with links to the individual squadrons websites.

The **United States Power Squadrons (USPS)** is a national organization of recreational boaters dedicated to making boating safer and more fun. *USPS is safe boating and known as America's boating club.* Our members conduct public boating safety classes and vessel safety checks. We also provide a variety of social and boating activities for our members. Learn more about USPS and what their members do. Check out all of the benefits and savings offered to our members at [www.usps.org](http://www.usps.org)
